Regarding: Blanket Adjustment 2008-2 for the 2002 City of Kent Surface Water Design Manual

The City of Kent Survey Department has revised the vertical survey datum to be the North American Vertical Datum of 1988 (NAVD 88).

The following is in Table 4.4.2 and is revised to read:

Datum Correlations to KCAS (page 4-75 of the 1998 KCSWDM)

The Kent datum is NGVD, USGS and USC and GS 1947 (adjusted to the 1929 datum). the North American Vertical Datum of 1988 (NAVD 88).
